

Cloud Payroll is an online Oracle Cloud based Employee Payment System integrated with Accounts & HRMS. It manages each employee's salary sheet and payment with following items overtime, loan, advance salary, late & absent deduction, provident fund, tax etc. It produces pay slip, monthly salary sheet, overtime reports, provident fund report, bank transfer instruction, loan due report etc. When salary disbursement done employee will notify via SMS or email.

Business Features:

- Payroll module is integrated with Accounts and HRMS.
- It manages each employee's ledger like bank statement of salary and payment. It produces pay slip, monthly salary sheet, overtime, provident fund, loan etc.
- According to employee agreement pay items are set like basic, medical, house rent, provident fund, Phone bill allowance, transport allowance etc.

Salary Settings

- ✓ Payroll Item Setting
